

Board for Licensure of Foresters  
Board Meeting Emergency Declaration  
January 26, 2023 Board Meeting

Dear Catherine Pendergast, Administrator,

In accordance with the “Board Member Remote Participation Policy” adopted by the Board on December 14, 2021 and after consultation with you, I am directing that the January 26, 2023 meeting of the Board be conducted virtually through exclusively remote participation pursuant to Section 2a(ii) of that policy. In support of this directive, I have determined that, based on the following circumstances, there exists an emergency or urgent issue which, pursuant to the policy, requires the Board to meet by entirely remote methods on January 26, 2023:

Due to the forecasted poor weather conditions for Thursday, January 26, 2023, the Board will conduct a virtual meeting without a physical location.

There will be no physical location where members of the public may attend this meeting. The Board will continue to provide members of the public a meaningful opportunity to attend the meeting remotely via Zoom as it has successfully done since April of 2020. Please post this determination to the Board website and update the agenda to include the Zoom information as soon as possible.
